"Gavel's Down, The Best in Online Marketing"
(516) 366-0734 CCI.live schedule@cci.live

INSPECTION OF CATTLE: Bulls are at the sale site and are available for inspection at any time.

HERD HEALTH: All cattle will be accompanied by proper health certificates for immediate shipment out of state.

RETAINED INTEREST: Cannon Angus is retaining one-third revenue sharing semen interest in all bulls selling. Buyer will receive full possession and full salvage value on bulls.

IDENTIFICATION OF SALE CATTLE: Sale tags correspond with tattoos.

TERMS & CONDITIONS: Terms are cash. All cattle will sell under the Terms and Conditions as recommended by the American Angus Association. All announcements at the sale made from the auction block will take precedence over statements in the sale book. We reserve the right to withdraw any sale lot not meeting our sale specifications at sale time.

DELIVERY: Free delivery will be offered on all bulls within 500 miles. We will keep them until April 15 at no charge but you leave them at your risk and insurance should be purchased in doing so.

INSURANCE: Mortality and loss of use insurance will be available sale day. Ask about it at checkout time.

FOOD AND REFRESHMENTS: Hot and cold refreshments will be available at the sale site before lunch. Coffee and donuts will be provided in the morning.

LIABILITY: All persons attending the sale and related functions do so at their own risk. Cannon Angus, its employees and representatives assume no liability, legal or otherwise, for any accidents, injuries or exposure to disease that may occur.

*Each bull will be at the buyer's risk as soon as the bull is sold, but will be cared for by the seller for a reasonable period of time. Every precaution will be taken for the well-being of the bulls sold.

ANGUS MEDIA

EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLinkSM, CAB®, Pathfinder®.

The Cannon Family

John Cannon
818-400-4513
2214 East 800 South
Preston, ID 83263

We would like to welcome everyone to our seventh annual Cache Valley Cannon Angus Bull Sale. We are building upon four generations of family legacy as we take a systematic approach with sound judgement, balanced eye appeal, and functional cattle that will thrive in our rigid conditions.

We select a variety of sires every year to introduce to our herd based on several key factors as we look for multi-trait excellence. Our sires excel on the measurable EPD traits, are sound, fertile and efficient. Multi-trait selection that also takes into account important economic factors is an important part of sire selection for our customers and ourselves. We pride ourselves on providing bulls for our customers now and in the future. We do not chase the latest fads; rather we believe in getting back to the basics of good footed, hearty cows that produce soggy calves year after year.

Our females are selected and bred for good maternal traits including deep ribbed, phenotype, udder quality, good footed, and docility. We plan to build a model Angus cow backed with performance and maternal traits so we can sell bulls that meet the commercial man's needs. As always, we believe the Angus cow to be the most effective in the business, and the breed will continue to dominate the genetics of the commercial cow herd.

Our auction bulls have been ultra-sounded, fertility tested, and hand selected for their structural soundness and foot quality. We have collected genomic DNA on our bulls and replacement heifers. The bulls will be on-site at the ranch for viewing.

Please join us Thursday morning, March 6, 2025, to walk through the bulls prior to lunch at 11:00 am and the sale beginning at 12:00 pm.

All of the Bulls will sell with complete Angus GS DNA data and evaluation, complete carcass ultrasound data and evaluation, along with complete yearling performance and reproductive data and evaluation. Please contact John Cannon or Matt Macfarlane for the results and they will be available at CCI.Live and on sale day.

We Cordially Invite You to the Cannon Angus Ranch Cache Valley Bull Sale!

On behalf of John Cannon and his family we bring you one industry useful and high quality set of Angus bulls. These bulls represent a program built on maternal, performance and carcass value without sacrificing fertility, calving ease, structural soundness, longevity and functionality. John has built a very uniform and productive cowherd based on the iconic Buchanan program in Oregon and Woodhill program in WI. Bob Buchanan and Brian McCullough have influenced this cowherd more than anyone and John still relies on their opinions now and then to move his herd in the right direction.

John has used the most proven and highly accurate AI bulls he can and ruthlessly researches each and every bull used in the program to make sure they are not only industry accepted, but sought after on a commercial basis. He also scours the country for quality herd bulls that can rival the AI sires in terms of quality and marketability.

John works extremely hard on his program and is the one calving, breeding, feeding and managing these cows on a daily basis. He knows them inside and out and has very little outside help. If you have any questions or would like to stop by and go through cattle, he would love to show them to you.

I have seen the bulls and they are consistent, uniform and commercially driven in their production. Customer satisfaction here has been as good as anywhere I work and I have not heard of many if any issues coming from those that have turned out a Cannon bull on their heifer or cows. And if there is I know John will take care of it, no questions asked.

If you need any assistance please do not hesitate to reach out to me, I will be glad to assist you.

MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating our cattle with AngusLinkSM programs: the Genetic Merit ScorecardSM and AngusVerifiedSM.

The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day.

Users of AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

ANGUSLINK.COM | 816-383-5100

The Genetic Merit Scorecard and AngusVerified are administered by IMI Global.

FASTER PROGRESS, GREATER RETURNS

Targeting the Brand™ identifies registered Angus bulls with the genetic potential to sire calves more likely to meet all 10 *Certified Angus Beef*® brand specifications.

Minimum Genetic Requirements

Marbling EPD (Marb)	+0.65
Grid Value (\$G)	+55.0
